

7.0 LIST OF PREPARERS

Table 7-1 lists the representatives of the agencies and firms responsible for preparation of this EIS, with their project responsibility, education, and experience.

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
U.S. Department of Transportation, Federal Highway Administration		
Abdelmoez Abdalla, PhD Environmental Program Manager	BS, Soil Science MS, Limnology PhD, Water Quality and Aquatic Ecology	23 years experience in the environmental field.
Andrew H. Soderborg	BS, Civil Engineering MS, Civil Engineering	17 years experience in geotechnical and transportation engineering fields.
Regional Transportation Commission		
Doug Maloy, PE Project Manager	BS, Civil Engineering Licensed Professional Civil Engineer	21 years civil design and project management
Tom Greco, PE, F. ASCE Senior Transportation Planning Engineer	AA, Business Administration Licensed Professional Civil Engineer	40 years experience in transportation industry, public and private.
Michael Moreno Community Outreach Officer		26 years experience in community relations and public outreach. Bilingual in Spanish.
Nevada Department of Transportation		
Sabra Gilbert-Young, RPA Native American Consultation Coordinator	BA, Anthropology MA, Anthropology Registered Professional Archaeologist	20 years experience in cultural resource management
John Greene, PLS Noise Specialist	Registered Professional Land Surveyor, Nevada and California Nevada Water Rights Surveyor	Over 30 years experience in civil engineering and 6 years experience performing traffic noise modeling.
Chris Young, RPA Environmental Services Supervisor	BA Anthropology MA Anthropology	20 years experience in archaeology, cultural resource management, and environmental compliance
Rupali Mohansingh	MS Civil and Environmental Engineering MS Chemical Engineering Registered Professional Engineer	10 Years Experience in Environmental Engineering
Cliff Creger	MA, Anthropology	27 years experience in archaeology and cultural resource management
Elizabeth Dickey	BA English MS Historic Preservation	8 years experience in architectural history
Daniel Harms, CEM	BS Hydrogeology	25 years experience in the environmental field
Robert Piekarz	MS Civil & Environmental Engineering	17 years experience in the environmental field

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
James Murphy	BS Environmental & Natural Resources MS Hydrology	9 years experience in the environmental field
Jacobs Engineering Group Inc.		
Bryan Gant, PE Jacobs Project Manager	BS, Civil Engineering Registered Professional Engineer	14 years experience in transportation planning, design, and project management
Jim Clarke, AICP EIS Manager	BA, History MURP, Urban and Regional Planning AICP Registered Planner	21 years experience in environmental planning
Mary Speck Technical Editor	BA, Foreign Languages	28 years experience in technical writing and editing
Chris Primus Travel Forecasting	MS, Transportation MS, Computational Mathematics BA, Mathematics	16 years experience in transportation planning and travel forecasting
Keith Borsheim Traffic Operations, Transportation Planning	BA, Bachelor of Environmental Design	9 years experience in transportation planning
Sandy Beazley Water Quality, Floodplains, EIS document preparation	BS, Environmental Science MS, Environmental Science	5 years experience in environmental planning
Misty Swan Cultural Resources, Bicycle/Pedestrian Facilities, Parks and Recreation, Visual Assessment, Comments and Coordination, EIS document preparation	NEPA courses	23 years experience in NEPA document preparation
Diane Yates, RLA Visual Assessment	BS, Landscape Architecture RLA (New Mexico, California)	28 years experience in visual assessment
Kevin McDermott Land Use and Zoning, Social and Economic conditions, Environmental Justice, Farmlands, Section 4(f) Evaluation	BS, Natural Resource Recreation and Tourism, Park and Protected Area Management MA, Urban and Regional Planning	7 years experience in NEPA analysis
Jim Krogman Engineering	AS, Civil Engineering	28 years experience in civil engineering
Karen Rhea Graphic Design	BFA, Commercial Art	15 years experience in graphic design
Andy Priest GIS Specialist	BA, Natural Resource Management	9 years experience in GIS and environmental planning
Derek Velarde, PE Hydraulics & Hydrology, Conceptual Drainage Report preparation	BS, Civil Engineering	6 years experience in Hydraulics & Hydrology Engineering
Cigdem Mulazimoglu, PE Traffic operations analysis	BS, Civil Engineering MS, Civil Engineering	7 years of experience in traffic engineering
Gina McAfee, AICP Director, Document Reviewer	BS, Landscape Architecture AICP Registered Planner	31 years experience in NEPA analysis

Table 7-1. List of Preparers

Name, Title and Project Responsibility	Education, Registration	Experience
Christopher Martinovich, EI Alternatives development, project engineering and design	BS, Civil Engineering Engineering Intern	3 years experience in roadway engineering and design
Dana Ragusa Noise, Air Quality, Energy, Relocation, Hazardous Materials, Local Short-Term Uses versus Long-Term Productivity, Irreversible and Irretrievable Commitment of Resources	BS, Environmental Studies	11 years experience in noise and air quality analyses and environmental planning
Francesca Tordonato Wetlands, Vegetation, Wildlife, Threatened and Endangered Species	MEPM, Masters Environmental Policy and Management BA, Environmental Studies	9 years experience in NEPA analysis
Jennifer Basset-Hales Cumulative Impacts	BS, Public Policy Management and Planning	10 years of experience in NEPA analysis
John Karachepone, PE Traffic Engineering Manager	BE, Civil Engineering MS, Civil Engineering	20 years experience in Traffic Engineering and Transportation Planning
Ben Taylor, PE	BS, Civil Engineering	10 years experience in roadway design
Adam Bove GIS	BS, Environmental Studies MS, Geographic Information Science	5 years experience in GIS and environmental planning
CH2M Hill		
Cindy Potter Engineering Manager	BS, Civil Engineering Registered Civil Engineer, NV, CA	31 years experience in transportation planning and design
Leslie Bonneau Public Involvement	BS, Public Administration	21 years of transportation planning and public involvement.
Ken Greene Hazardous Waste	BS, Natural Resource Management, CHMM #11947	16 years experience in RCRA/CERCLA compliance and hazardous materials/waste management
Aimee Morace, PE	BS, Civil Engineering Licensed Civil Engineer, NV, TX	10 years experience in transportation planning and design
David Dodson, PE Project Engineer	BS, Civil Engineering PE, NV and UT	15 years experience in transportation engineering
Mark Gallegos Project Assistant/Public Outreach Coordinator	Associate of Arts	5 years experience in Public Outreach for Transportation Planning and Construction Projects; 13+ years experience in employee and public relations
Western Cultural Resource Management, Inc.		
Steven F. Mehls, PhD Architectural Historian and Historian Lead for Historic Architecture Baseline Study	BA, MA, American History PhD, History of the American West Nevada SHPO Listed Architectural Historian	33 years experience in cultural resources management and public history
Edward J. Stoner, MA Senior Archaeologist and Project Manager Lead for Archaeological Baseline Studies	BA, Anthropology MA, Anthropology Register of Professional Archaeologists	28 years experience in archaeology and cultural resources management
